 **Lenten Minute...** Have you ever wanted something so much that you thought all of your happiness depended on it? When I was a kid I wanted this Tyco Electric Train so bad! I woke up in the morning thinking about it; went to bed thinking about it. It seemed to consume all of my thoughts.

Well, Christmas finally came and...I got it! I was so happy that I played with it non-stop for about 7 days and then, I thought nothing of it anymore.

St. Paul reminds us that we are in the world, not of the world. Yes, the worldly things give us temporary pleasure; but what I have found in Christ has carried me every day of my life. **This Lent, find that what truly makes you happy, not as the world sees it; but as God always intended it to be.**
