**Lenten Minute...** Every year I use to dread Ash Wednesday. I dreaded giving up things ie. candy, toys, etc. I never understood the purpose of it all, but like many of us Sister or Father told us to.

God is calling all of us to be the best version of our self. What does this mean for our Lenten journey? We are called to look at our own lives and see if we have some habits that stop us from being our best self. Maybe its time to give up cussing or smoking. They say it only takes 21 days to form a habit. Maybe God is calling you to spend more time with those that you love because when you are

happy you are the best version of yourself.

God wants us to be happy and to be all that we can be. Think about these things and lets make this the best Lent ever! ~ John
