

...COVID Testing Sites. We are experiencing an unprecedented 4th surge of COVID-19 in our state to that end the city has two sites for getting tested for COVID-19. The City of Detroit is expanding its capacity for COVID-19 rapid testing to 1,000 appointments per day with the addition of a second location, TCF/Huntington Place (One Washington Blvd.), for those who live or work in Detroit. TCF/Huntington Place is open for rapid antigen testing Monday – Friday, 9 AM – 5 PM. The move comes amid a sharp rise in COVID-19 cases statewide caused by the Omicron variant.

Rapid molecular tests continue to be available at the City's Joseph Walker Williams Rec Center site (8431 Rosa Parks Blvd.), from Monday – Friday, 7 AM – 4:30 PM. Appointments are required for testing at both sites and may be scheduled by calling 313-230-0505.

...Parish Organization Meetings For many of us it has been almost 2 years since things have been “normal” yet in many ways the work of the parish has continued through our concern for those in the community etc. If your organization would like to meet we still have several ways to accomplish this. #1 Schedule an in person meeting in one of our larger rooms in the activities building (for safe distancing) or #2 schedule a zoom meeting using one of the parish's zoom accounts. For either please call or email John Thorne at 313-418-3607 or jthorne@sacredheartdetroit.com.

...Events in Activities Building The parish hall will be closed for events at least through the fall. We hope that 2023 will be a much different year than our past 2 years.

This day commemorates the Baptism of Jesus in the Jordan River by St. John the Baptist. On this occasion, Jesus entered into His ministry and acquired His first disciples, St. John proclaimed Christ the Lamb of God, whose way he had prepared, and the Triune nature of the Godhead was manifested.
