**...Good Time Initiative Petition Signing.** Sacred Heart & DCPA's Community Action Committee are joining Michigan United and with thousands throughout the state, to collect signatures to place the Good Time Initiative on the ballot. *Michigan is one of only six states with no policy for Good Time or Earned Time Credits.* Thousands of incarcerated people face harsh sentences and deserve a second chance. The Good Time Ballot Initiative gives them a second chance by reducing the time served based on the inmate's good behavior. The Good Time initiative will task the Michigan Department of Corrections with developing rules for disciplinary time and earned credits, and create a board to review earned credits and prisoner records. The measure would repeal Michigan's Truth in Sentencing law, a prison rules change approved by voters in 1998 that repealed "good time credits" and imposed a mandatory minimum sentence that could be extended for misconduct.
