....The next **Sacred Heart Book Club Read** is Saturday, June 11, 2022 in the Sacred Heart Activities Building classroom. The featured book for June is **The Midnight Library by Matt Haig**. In *The Midnight Library*, Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one, the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. Would any of these other lives truly be better? Nora must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

### Act of Consecration to the Immaculate Heart of Mary

O most pure heart of Mary, full of goodness, show your love towards us. Let the flame of your heart, O Mary, descend on all people. We love you immensely. Impress on our hearts true love so that we may long for you.

O Mary, gentle and humble of heart, remember us when we sin. You know that all people sin. Grant that through your most pure and motherly heart, we may be healed from every spiritual sickness. Grant that we may always experience the goodness of your motherly heart, and that through the flame of your heart we may be converted. Amen.
